

Oodnadatta Racing and Horse Sports Club

Volunteer Introduction Information

Welcome and thank you for taking on the very important role of a volunteer within our club. Our club highly values volunteers. This Volunteer Induction Information outlines the specifics you need to know about the club.

Our club was first started in 1890. We hold 3 Events every year, 20/20 Cricket Station vs Town, Races and Gymkhana and Bronco Branding and Campdraft. We also offer catering for large groups/events held in Oodnadatta. We have held the Shitbox Rally and Variety Groups.

All policies for the club are in the Starclub folder.

We recommend all volunteers visit play by the rule's website. Play by the Rules was first developed by the South Australian Department for Sport and Recreation in 2001 as an interactive education and information website (www.playbytherules.net.au) on discrimination, harassment and child protection in sport
